Laugh at the trainee's reluctance to participate **Answer: C) Encourage the trainee to participate and provide support if needed**

107. How should a matron/patron address trainees who engage in discriminatory or prejudiced behavior? A) Ignore the behavior to avoid conflict B) Laugh along with the discriminatory behavior to fit in with the trainees C) Address the behavior immediately and provide education on diversity and inclusion D) Join in on the discriminatory behavior to show solidarity with the trainees **Answer: C) Address the behavior**

immediately and provide education on diversity and inclusion

108. What should a matron/patron do if a trainee is found stealing from other trainees or staff members? A) Ignore the theft to avoid confrontation B) Encourage the trainee to continue stealing as a way to get what they want C) Address the theft immediately and implement disciplinary measures D) Join in on the stealing to show support for the trainee

Answer: C) Address the theft immediately and implement disciplinary measures

109. How should a matron/patron handle trainees who engage in physical altercations with each other? A) Ignore the altercations and let the trainees work it out themselves B) Join in on the physical altercations to break up the fight C) Address the altercations immediately and implement

consequences D) Laugh at the trainees fighting to lighten the mood

Answer: C) Address the altercations immediately and implement consequences

110. Which of the following is an appropriate response if a trainee refuses to participate in school activities or events? A) Ignore the trainee's lack of participation B) Force the trainee to participate against their will C) Encourage the trainee to participate and provide support if needed D) Laugh at the trainee's reluctance to participate

Answer: C) Encourage the trainee to participate and provide support if needed

111. How should a matron/patron address trainees who engage in discriminatory or prejudiced behavior? A) Ignore the behavior to avoid conflict B) Laugh along with the discriminatory behavior to fit in with the trainees C) Address the behavior immediately and provide education on diversity and inclusion D) Join in on the discriminatory behavior to show solidarity with the trainees

Answer: C) Address the behavior immediately and provide education on diversity and inclusion

112. What should a matron/patron do if a trainee is found stealing from other trainees or staff members? A) Ignore the theft to avoid confrontation B) Encourage the trainee to continue stealing as a way to get what they want C) Address the theft immediately and implement disciplinary

measures D) Join in on the stealing to show support for the trainee

Answer: C) Address the theft immediately and implement disciplinary

measures

113. How should a matron/patron handle trainees who engage in physical altercations with each other? A) Ignore the altercations and let the trainees work it out themselves B) Join in on the physical altercations to break up the fight C) Address the altercations immediately and implement consequences D) Laugh at the trainees fighting to lighten the mood

Answer: C) Address the altercations immediately and implement

consequences

114. Which of the following is an appropriate response if a trainee refuses to participate in school activities or events? A) Ignore the trainee's lack of participation B) Force the trainee to participate against their will C) Encourage the trainee to participate and provide support if needed D) Laugh at the trainee's reluctance to participate

Answer: C) Encourage the

trainee to participate and provide support if needed

115. How should a matron/patron address trainees who engage in discriminatory or prejudiced behavior? A) Ignore the behavior to avoid conflict B) Laugh along with the discriminatory behavior to fit in with the trainees C) Address the behavior immediately and provide education on

diversity and inclusion D) Join in on the discriminatory behavior to show solidarity with the trainees **Answer: C) Address the behavior**

immediately and provide education on diversity and inclusion

116. What should a matron/patron do if a trainee is found stealing from other trainees or staff members? A) Ignore the theft to avoid confrontation B) Encourage the trainee to continue stealing as a way to get what they want C) Address the theft immediately and implement disciplinary measures D) Join in on the stealing to show support for the trainee

Answer: C) Address the theft immediately and implement disciplinary measures

117. How should a matron/patron handle trainees who engage in physical altercations with each other? A) Ignore the altercations and let the trainees work it out themselves B) Join in on the physical altercations to break up the fight C) Address the altercations immediately and implement consequences D) Laugh at the trainees fighting to lighten the mood

Answer: C) Address the altercations immediately and implement consequences

118. When elaborating an activity plan for extra works within the school, what should be the first step? A) Schedule a meeting with the school administration B) Assess the needs and interests of the students and staff

C) Immediately assign tasks to individuals D) Ignore any input and proceed with personal preferences **Answer: B) Assess the needs and interests of**

the students and staff

119. Which of the following is an important consideration when planning extra works within the school? A) Ignoring feedback from students and staff B) Focusing solely on academic tasks C) Incorporating a variety of activities to cater to different interests D) Implementing rigid schedules without flexibility **Answer: C) Incorporating a variety of activities to**

cater to different interests

120. What role does collaboration play in elaborating activity plans for extra works within the school? A) Collaboration is unnecessary and can hinder the process B) Collaboration allows for diverse perspectives and ideas C) Collaboration should be limited to only a few individuals D) Collaboration is solely the responsibility of the matron/patron **Answer: B)**

Collaboration allows for diverse perspectives and ideas

121. How should a matron/patron determine the duration of extra works within the school? A) Based solely on personal preference B) By considering the availability of resources and facilities C) Ignoring the needs of the students and staff D) Without any prior planning or consideration

Answer: B) By considering the availability of resources and facilities

122. Which of the following is a key component of a well-elaborated activity plan for extra works within the school? A) Lack of flexibility in scheduling B) Ignoring safety protocols and regulations C) Clearly defined objectives and goals D) Focusing solely on one type of activity **Answer: C)**

Clearly defined objectives and goals

123. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting**

feedback and input from stakeholders

124. How can a matron/patron ensure inclusivity when planning extra works within the school? A) Ignoring the needs of minority groups B) Providing opportunities for all students to participate regardless of abilities or backgrounds C) Excluding certain individuals based on personal biases D) Focusing only on activities that cater to a specific group of students

Answer: B) Providing opportunities for all students to participate

regardless of abilities or backgrounds

125. What should be considered when selecting activities for extra works within the school? A) Only selecting activities that the matron/patron

enjoys B) Ignoring the interests and preferences of the students and staff

C) Choosing activities that promote skill development, teamwork, and

creativity D) Limiting activities to those that require minimal effort to

organize **Answer: C) Choosing activities that promote skill**

development, teamwork, and creativity

126. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the

planning process

127. Which of the following best describes the role of the matron/patron in elaborating activity plans for extra works within the school? A) Taking sole responsibility for planning without input from others B) Facilitating the planning process and ensuring all voices are heard C) Ignoring the needs and preferences of students and staff D) Implementing activities without any prior assessment or planning **Answer: B) Facilitating the**

planning process and ensuring all voices are heard

128. How should a matron/patron prioritize activities when elaborating an activity plan for extra works within the school? A) Based solely on personal preferences B) By considering the interests and needs of the students and staff C) Without any consideration for safety or feasibility D) Ignoring input from stakeholders **Answer: B) By considering the**

interests and needs of the students and staff

129. What should be the focus when determining the resources required for extra works within the school? A) Ignoring the availability of resources and facilities B) Providing excessive resources to ensure success C) Matching resources to the needs of the planned activities D) Limiting resources to only what the matron/patron is comfortable with **Answer: C)**

Matching resources to the needs of the planned activities

130. How can a matron/patron ensure that planned activities align with the overall goals and values of the school? A) By disregarding the school's mission and vision B) By focusing solely on personal objectives C) By ensuring activities promote positive values and support the school's mission D) By implementing activities without any prior assessment

Answer: C) By ensuring activities promote positive values and support the school's mission

131. When should a matron/patron seek feedback on the proposed activity plan for extra works within the school? A) Never, as the matron/patron's decisions are final B) Only after the activities have already been implemented C) Throughout the planning process to incorporate input from stakeholders D) Ignoring feedback to avoid potential changes

Answer: C) Throughout the planning process to incorporate input from stakeholders

132. How should a matron/patron address conflicts or disagreements during the planning of extra works within the school? A) By ignoring conflicts and making decisions independently B) By encouraging open communication and finding solutions collaboratively C) By dismissing the concerns of others D) By avoiding confrontation and making decisions without input

Answer: B) By encouraging open communication and finding solutions collaboratively

133. What is the importance of flexibility when elaborating activity plans for extra works within the school? A) Flexibility is unnecessary and can hinder the planning process B) Flexibility allows for adjustments based on changing circumstances or feedback C) Flexibility limits the options available for activities D) Flexibility leads to inconsistencies and confusion

Answer: B) Flexibility allows for adjustments based on changing circumstances or feedback

134. How should a matron/patron ensure that planned activities are safe for all participants? A) By ignoring safety protocols and regulations B) By conducting risk assessments and implementing appropriate safety measures C) By rushing through the planning process without considering safety concerns D) By prioritizing fun over safety **Answer: B) By**

conducting risk assessments and implementing appropriate safety measures

135. What should be the approach to scheduling activities within the school day? A) Scheduling activities without considering other commitments or priorities B) Incorporating activities into the schedule in a balanced and manageable way C) Ignoring the needs and preferences of students and staff D) Overloading the schedule with activities without breaks or downtime **Answer: B) Incorporating activities into the**

schedule in a balanced and manageable way

136. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal

biases D) By implementing activities without any prior planning **Answer:**

B) By incorporating a variety of activities that cater to different interests

137. What role does reflection play in the planning process for extra works within the school? A) Reflection is unnecessary and can be skipped B) Reflection allows for evaluation of the effectiveness of planned activities C) Reflection should only be done by the matron/patron without input from others D) Reflection should be limited to academic performance only

Answer: B) Reflection allows for evaluation of the effectiveness of planned activities

138. How should a matron/patron ensure that planned activities promote inclusivity and diversity? A) By excluding certain individuals based on personal biases B) By ignoring the needs and preferences of minority groups C) By actively seeking input from diverse stakeholders and incorporating their perspectives D) By limiting activities to those that cater to a specific group of students **Answer: C) By actively seeking input**

from diverse stakeholders and incorporating their perspectives

139. What is the purpose of setting clear objectives and goals when planning extra works within the school? A) To limit participation in activities B) To ensure activities are vague and undefined C) To provide

direction and focus for planned activities D) To discourage collaboration and teamwork

Answer: C) To provide direction and focus for planned activities

140. How should a matron/patron address challenges or obstacles that arise during the planning process? A) By ignoring challenges and proceeding as planned B) By seeking input from stakeholders and finding solutions collaboratively C) By dismissing the concerns of others D) By avoiding addressing challenges altogether

Answer: B) By seeking input from stakeholders and finding solutions collaboratively

141. What role does evaluation play in the planning process for extra works within the school? A) Evaluation is unnecessary and can be skipped B) Evaluation allows for reflection and improvement of future activities C) Evaluation should only be done by the matron/patron without input from others D) Evaluation should be limited to academic performance only

Answer: B) Evaluation allows for reflection and improvement of future activities

142. How can a matron/patron ensure that planned activities are aligned with the interests and preferences of students and staff? A) By disregarding feedback from students and staff B) By actively seeking input and incorporating suggestions into the planning process C) By

implementing activities without any prior assessment or planning D) By ignoring the needs of minority groups **Answer: B) By actively seeking**

input and incorporating suggestions into the planning process

143. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the planning process

144. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting**

feedback and input from stakeholders

145. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal

biases D) By implementing activities without any prior planning **Answer:**

B) By incorporating a variety of activities that cater to different interests

146. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the planning process

147. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting**

feedback and input from stakeholders

148. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal

biases D) By implementing activities without any prior planning **Answer:**

B) By incorporating a variety of activities that cater to different interests

149. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the planning process

150. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting**

feedback and input from stakeholders

151. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal

biases D) By implementing activities without any prior planning **Answer:**

B) By incorporating a variety of activities that cater to different interests

152. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the planning process

153. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting**

feedback and input from stakeholders

154. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal

biases D) By implementing activities without any prior planning **Answer:**

B) By incorporating a variety of activities that cater to different interests

155. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the planning process

156. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting**

feedback and input from stakeholders

157. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal

biases D) By implementing activities without any prior planning **Answer:**

B) By incorporating a variety of activities that cater to different interests

158. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the planning process

159. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting**

feedback and input from stakeholders

160. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal

biases D) By implementing activities without any prior planning **Answer:**

B) By incorporating a variety of activities that cater to different interests

161. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the planning process

162. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting**

feedback and input from stakeholders

163. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal

biases D) By implementing activities without any prior planning **Answer:**

B) By incorporating a variety of activities that cater to different interests

164. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the planning process

165. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting**

feedback and input from stakeholders

166. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal

biases D) By implementing activities without any prior planning **Answer:**

B) By incorporating a variety of activities that cater to different interests

167. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork

Answer: B) To ensure everyone is informed and involved in the planning process

1. When elaborating an activity plan for extra works within the school, what should be the first step? A) Schedule a meeting with the school administration B) Assess the needs and interests of the students and staff C) Immediately assign tasks to individuals D) Ignore any input and proceed with personal preferences **Answer: B) Assess the needs and interests of the students and staff**
2. Which of the following is an important consideration when planning extra works within the school? A) Ignoring feedback from students and staff B) Focusing solely on academic tasks C) Incorporating a variety of activities to cater to different interests D) Implementing rigid schedules without flexibility **Answer: C) Incorporating a variety of activities to cater to different interests**
3. What role does collaboration play in elaborating activity plans for extra works within the school? A) Collaboration is unnecessary and can hinder the process B) Collaboration allows for diverse perspectives and ideas C) Collaboration should be limited to only a few individuals D) Collaboration

is solely the responsibility of the matron/patron **Answer: B) Collaboration allows for diverse perspectives and ideas**

4. How should a matron/patron determine the duration of extra works within the school? A) Based solely on personal preference B) By considering the availability of resources and facilities C) Ignoring the needs of the students and staff D) Without any prior planning or consideration **Answer: B) By considering the availability of resources and facilities**
5. Which of the following is a key component of a well-elaborated activity plan for extra works within the school? A) Lack of flexibility in scheduling B) Ignoring safety protocols and regulations C) Clearly defined objectives and goals D) Focusing solely on one type of activity **Answer: C) Clearly defined objectives and goals**
6. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting feedback and input from stakeholders**
7. How can a matron/patron ensure inclusivity when planning extra works within the school? A) Ignoring the needs of minority groups B) Providing opportunities for all students to participate regardless of abilities or backgrounds C) Excluding certain individuals based on personal biases D) Focusing only on activities that cater to a specific group of students **Answer: B) Providing opportunities for all students to participate regardless of abilities or backgrounds**
8. What should be considered when selecting activities for extra works within the school? A) Only selecting activities that the matron/patron enjoys B) Ignoring the interests and preferences of the students and staff C) Choosing activities that promote skill development, teamwork, and creativity D)

Limiting activities to those that require minimal effort to organize **Answer: C) Choosing activities that promote skill development, teamwork, and creativity**

9. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork **Answer: B) To ensure everyone is informed and involved in the planning process**
10. Which of the following best describes the role of the matron/patron in elaborating activity plans for extra works within the school? A) Taking sole responsibility for planning without input from others B) Facilitating the planning process and ensuring all voices are heard C) Ignoring the needs and preferences of students and staff D) Implementing activities without any prior assessment or planning **Answer: B) Facilitating the planning process and ensuring all voices are heard**
11. How should a matron/patron prioritize activities when elaborating an activity plan for extra works within the school? A) Based solely on personal preferences B) By considering the interests and needs of the students and staff C) Without any consideration for safety or feasibility D) Ignoring input from stakeholders **Answer: B) By considering the interests and needs of the students and staff**
12. What should be the focus when determining the resources required for extra works within the school? A) Ignoring the availability of resources and facilities B) Providing excessive resources to ensure success C) Matching resources to the needs of the planned activities D) Limiting resources to only what the matron/patron is comfortable with **Answer: C) Matching resources to the needs of the planned activities**
13. How can a matron/patron ensure that planned activities align with the overall goals and values of the school? A) By disregarding the school's mission and vision B) By focusing solely on personal

objectives C) By ensuring activities promote positive values and support the school's mission D) By implementing activities without any prior assessment **Answer: C) By ensuring activities promote**

positive values and support the school's mission

14. When should a matron/patron seek feedback on the proposed activity plan for extra works within the school? A) Never, as the matron/patron's decisions are final B) Only after the activities have already been implemented C) Throughout the planning process to incorporate input from stakeholders D) Ignoring feedback to avoid potential changes **Answer: C) Throughout the**

planning process to incorporate input from stakeholders

15. How should a matron/patron address conflicts or disagreements during the planning of extra works within the school? A) By ignoring conflicts and making decisions independently B) By encouraging open communication and finding solutions collaboratively C) By dismissing the concerns of others D) By avoiding confrontation and making decisions without input **Answer: B) By encouraging open**

communication and finding solutions collaboratively

16. What is the importance of flexibility when elaborating activity plans for extra works within the school? A) Flexibility is unnecessary and can hinder the planning process B) Flexibility allows for adjustments based on changing circumstances or feedback C) Flexibility limits the options available for activities D) Flexibility leads to inconsistencies and confusion **Answer: B) Flexibility allows for**

adjustments based on changing circumstances or feedback

17. How should a matron/patron ensure that planned activities are safe for all participants? A) By ignoring safety protocols and regulations B) By conducting risk assessments and implementing appropriate safety measures C) By rushing through the planning process without considering safety concerns D) By prioritizing fun over safety **Answer: B) By conducting risk assessments and**

implementing appropriate safety measures

18. What should be the approach to scheduling activities within the school day? A) Scheduling activities without considering other commitments or priorities B) Incorporating activities into the schedule in a balanced and manageable way C) Ignoring the needs and preferences of students and staff D) Overloading the schedule with activities without breaks or downtime **Answer: B) Incorporating activities into the schedule in a balanced and manageable way**
19. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal biases D) By implementing activities without any prior planning **Answer: B) By incorporating a variety of activities that cater to different interests**
20. What role does reflection play in the planning process for extra works within the school? A) Reflection is unnecessary and can be skipped B) Reflection allows for evaluation of the effectiveness of planned activities C) Reflection should only be done by the matron/patron without input from others D) Reflection should be limited to academic performance only **Answer: B) Reflection allows for evaluation of the effectiveness of planned activities**
21. How should a matron/patron ensure that planned activities promote inclusivity and diversity? A) By excluding certain individuals based on personal biases B) By ignoring the needs and preferences of minority groups C) By actively seeking input from diverse stakeholders and incorporating their perspectives D) By limiting activities to those that cater to a specific group of students **Answer: C) By actively seeking input from diverse stakeholders and incorporating their perspectives**
22. What is the purpose of setting clear objectives and goals when planning extra works within the school? A) To limit participation in activities B) To ensure activities are vague and undefined C) To

provide direction and focus for planned activities D) To discourage collaboration and teamwork

Answer: C) To provide direction and focus for planned activities

23. How should a matron/patron address challenges or obstacles that arise during the planning process?

A) By ignoring challenges and proceeding as planned B) By seeking input from stakeholders and finding solutions collaboratively C) By dismissing the concerns of others D) By avoiding addressing challenges altogether **Answer: B) By seeking input from stakeholders and finding solutions**

collaboratively

24. What role does evaluation play in the planning process for extra works within the school? A)

Evaluation is unnecessary and can be skipped B) Evaluation allows for reflection and improvement of future activities C) Evaluation should only be done by the matron/patron without input from others

D) Evaluation should be limited to academic performance only Answer: B) Evaluation allows for reflection and improvement of future activities

25. How can a matron/patron ensure that planned activities are aligned with the interests and

preferences of students and staff? A) By disregarding feedback from students and staff B) By actively seeking input and incorporating suggestions into the planning process C) By implementing activities without any prior assessment or planning D) By ignoring the needs of minority groups **Answer: B)**

By actively seeking input and incorporating suggestions into the planning process

26. Why is it important to establish clear communication channels when elaborating activity plans for

extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork **Answer: B) To ensure everyone is**

informed and involved in the planning process

27. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting feedback and input from stakeholders**
28. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal biases D) By implementing activities without any prior planning **Answer: B) By incorporating a variety of activities that cater to different interests**
29. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork **Answer: B) To ensure everyone is informed and involved in the planning process**
30. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting feedback and input from stakeholders**
31. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal biases D) By implementing activities without any prior planning **Answer: B) By incorporating a variety of activities that cater to different interests**

32. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork **Answer: B) To ensure everyone is informed and involved in the planning process**
33. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting feedback and input from stakeholders**
34. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal biases D) By implementing activities without any prior planning **Answer: B) By incorporating a variety of activities that cater to different interests**
35. Why is it important to establish clear communication channels when elaborating activity plans for extra works within the school? A) To prevent students and staff from providing feedback B) To ensure everyone is informed and involved in the planning process C) To restrict access to information and decisions D) To discourage collaboration and teamwork **Answer: B) To ensure everyone is informed and involved in the planning process**
36. What should be included in the assessment phase of elaborating activity plans for extra works within the school? A) Ignoring the opinions of the students and staff B) Collecting feedback and input from stakeholders C) Implementing activities without any prior planning D) Limiting the assessment to academic performance only **Answer: B) Collecting feedback and input from stakeholders**

37. How can a matron/patron ensure that planned activities are engaging and enjoyable for participants? A) By focusing solely on academic tasks B) By incorporating a variety of activities that cater to different interests C) By excluding certain individuals based on personal biases D) By implementing activities without any prior planning **Answer: B) By incorporating a variety of activities that cater to different interests**
